

Hello, all **Nordic Paper Conservators!**

This is the program for the first digital Nordic Paper Conservator Network Meeting, the meeting will be held Thursday **10th of December from 13.00 to 16.00 pm** via Zoom.

We are going to take all the questions via Zoom chat at the end after all the presentations, each speaker will have 5 minutes to answer, the questions which might not be answered due to time limits will be forwarded to the speaker.

If we have time left after the general session we would like to suggest a discussion on the following topics:

- Finding time to write publications
- Opportunity to apply to external fundings or collaboration for a conservation project
- Expectations for a publication
- Thoughts about the current publication alternatives offered in the Nordic countries

If you have any questions, don't hesitate to write to us: paperconservationnet@gmail.com.
