

Digital Nordic Paper Conservation Network Meeting

Digitalisation and Paper Conservation

-new roles, development and collaborations

Dear Nordic Paper Conservators, this is the invitation for our next meeting which will be held on **December 1st 2022**, from **13:30 to 16:30 (CEST Stockholm time)**. The event is free and will be held in English, and will not be recorded.

Please send your participation submission to: paperconservationnet@gmail.com (If you have already registered after the Save the Date, there is no need to resend your participation submission). Registration will close on Monday November 28th. Feel free to share this with your colleagues.

Since more and more digitalisation projects are starting, paper conservators would benefit by finding a common voice to intentionally influence its development; and more specifically the role of the paper conservator working in them. Therefore, Network for Paper Conservators in the Nordic Countries would like to invite colleagues to share their experiences. The network aims to contribute to a higher grade of exchange of experiences and knowledge.

Program:

13:30 Welcome

13:40 Keynote speaker + 10 min Q&A: **Sarah Noble**, National Archives (UK) - *The Role of the Conservator in Mass Digitisation Projects at The National Archives UK*
